07.30PM

HOLMPTON VILLAGE HALL

<b>Meeting called by</b>	Holmpton Parish Council
<b>1. Attendees</b>	A.Wilkin, S. Pilkington, C. Leckonby, P. Leckonby, R.Dawson and L. Hodgson
<b>Apologies</b>	P. Pannett
<b>2. Minutes of last meeting</b>	Signed as a true record

### 3. Matters Arising

#### VILLAGE bins Item 3.A

<b>Discussion</b>	Bin is now made
<b>Conclusions</b>	<p>The bin is now completed and been placed at the bottom of Seaside road.</p> <p>Going to contact the council to see if they could empty it.</p> <p>27/05/14 - JR to chase the council again to see if they would come and empty the bin or if they would charge for this and if so what the cost would be.</p> <p>01/07/2014 – JR to ring Carl again from the council to find out what is going on.</p>

#### Emergency Plan item 3.B

<b>Planning</b>	The Village Emergency Plan
<b>Conclusions</b>	<p>SP has taken out the information that doesn't relate to the Parish. Still got to have a look at a few things including the vulnerable and talk to the pub to see if they would be interested in being on the emergency contact list.</p> <p>SP also did an overview of an emergency document, she would like the councilors to have a look at it and give their opinion once at that stage.</p> <p>27/05/14 – SP just waiting feedback from this before further action is taken.</p> <p>01/07/14 – SP is going to send another copy of it out to make sure everyone has a copy due to the fact a few people hadn't seen one.</p>

#### WAR MEMORIAL ITEM 3.D

<b>Planning</b>	War Memorial	
<b>Conclusions</b>	<p>LH has a meeting with the head of the school to discuss the memorial. Questions raised: What type of memorial would we like? Majority says outside the church so people can see it. LH suggested a figure/ statue would be nice. Going to ask the students to design something so we can take a look at the different options.</p> <p>There is word that there could be some funding available for memorial plaques, LH is going to look further into it as there is no idea on cost as yet.</p> <p>01/04/14 – LH visited the head of the High School since march's PC meeting and he is more than happy to help design something. Designs should be ready for the end of July, then they can be looked through and a decision can be made on the final design and materials.</p> <p>27/05/14 – This is still ongoing.</p> <p>01/07/14 – LH is going to chase it and see what is happening.</p>	

<b>Action ITEMS</b>	<b>Person Responsible</b>	<b>Deadline</b>
	LH	Ongoing

#### AOB ITEM 4

Action items	action to take	person responsible
Patrington Road / Dashed Lines	<p>As the council has done such a good job with redoing the road it was asked if it is thought to be a good idea to compliment the highways team by sending them a letter or telephone them. This was agreed.</p> <p>However while on the phone to the council it is asked that we comment on the missing double line dashing on the right</p>	JR has done this so got to wait and see what happens.
Telephone Box	<p>People having been thinking of things that the Parish Council could do with the telephone box, suggestions so far as follows;</p> <ul style="list-style-type: none"> <li>- Could turn it into a mini library/history center, only down fall being that it wouldn't work in winter as everything would turn damp.</li> <li>- Have it as a notice board.</li> <li>- Around Christmas time lights could be put up inside and hanging baskets in summer.</li> </ul>	R. Dawson is going to repaint it for the Parish Council.
Sports Day	Sports Day went down really well and a big thank you to everyone involved was made from P. Leckonby.	
Grass Cutting Schedule	Observations have been made that the grass is getting far too high before been cut back on the verge sides. There are also some large trees down North Lane that need cutting back due to them over hanging.	JR to phone the council and request this.
Dog noise and fowling	There have been several complaints regarding the noise coming from a number of dogs at a property in Holmpton. Not only is the noise a ongoing problem but there have now been reports of dog feces 'piled up in the garden and when it rains the escarpment drains through onto the neighboring	JR to report this to the Environment Agency.
