Matters arising

1. Neon sign — LD reported that she had contacted ERYC regarding the siting of a solar powered neon speeding sign, unfortunately permission would not be granted for the sign. PC members asked why other small villages ie Roos, Seaton, Burton Pidsea have such signs. LD will contact the Authority again and ask the reasons why the authority will not allow the sign.

2. Speedwatch — This took place from 7.30am — 8.30am on 13 July, during this hour 19 cars drove past, one of which was exceeding the speed limit.

3. RD contacted School House, they have agreed to dismantle the offending overhanging roof and clear the site.

4. HVCA noticeboard — SP has ordered a noticeboard at a cost of £118.00, as agreed at last months meeting a cheque was given to SP for £59.00. LH suggested that if this noticeboard is suitable, LD suggested that if this noticeboard is suitable, the one outside the pub should be replaced.

George and Dragon update — LH read the letter from Andrew Hall. The contents of the letter were discussed, he intends to seek planning permission to develop the site of the pub and car park for residential use, member of the PC did not think that this would be viable. He is anxious to receive the support of the local residents, with this in mind it was decided that LD contact him and invite him to the next meeting which will take place on Tuesday 6 September, he will be asked to confirm his attendance by 26 August this will enable LD to give him a 'slot' on the agenda.
